

The magnificent Grand Ballroom with all its original splendor is one of the hotel's most prized attributes. The beautiful ceiling, original murals and furnishings can't fail to transport you back to the delightfully decadent times of the 1930's.

The spectacle of everyone dressed for dinner in black tie, glamorous attire and original 1920's and 1930's glad rags is what lasting memories are made of. The ambience this unique setting creates is one of a kind. After dinner, you may even be enticed onto the dancefloor by the light tinkling of the ivories of our grand piano and the infectious sound of live jazz. Time to throw caution to the wind and let your hair down.

Our chefs draw influences from European flavours and techniques whilst also showcasing the true authenticity of British cuisine. Textures and presentation all play an integral part in creating exciting new dishes served in all the splendor of a secluded Art Deco island retreat.

Our ethos is to embrace originality, providing you with a unique dining experience. Our team of chefs pride themselves on preparing inspiring dishes created from sustainably sourced ingredients selected from quality suppliers locally and throughout the UK.
